In this section you should explain the CMS Healthcare Common Procedure Coding System Code, Current Procedural Terminology Code, and or the Current Dental Terminology Code, whichever are applicable and necessary to determine which medical services or procedures are being requested.
 - a. Enter the most current International Classification of Disease Code used to classify and code the diagnoses, symptom, or procedure applicable to the patient's condition.
 - b. Explain the CMS Healthcare Common Procedure Coding System Code, Current Procedural Terminology Code, and or the Current Dental Terminology Code, whichever are applicable and necessary to determine which medical services or procedures are being requested.
 - c. Provide a description of the code used in 6.b.
 - d. Provide a medical reason for requesting the medical service.

Other Clinical Information – If necessary attach other relevant guiding documentation to the request. This does not call for the submission of all documents, just those necessary to make a decision on the request. If this is an out of network request, provide an explanation and attach it to the request.

- 7. This section should be completed in the event the requested medical service does not fall within the other sections. A description of the nature of the medical service requested and corresponding details should be completed to fully convey what is being requested. Examples of other services may include, but are not limited to, rehabilitation services and home health care services.
- 8. This section should be completed if prescription medication is being requested.
 - a. Fill in the diagnosis name and code of the condition the prescription drug will be used to treat.
 - b. Detail the medication requested.
 - c. Detail the strength of the medication requested.
 - d. Detail the dosing schedule of the medication requested, including the length of therapy.
 - e. Detail the quantity per month or quantity limit of the medication requested.
 - f. Check the appropriate box and explain if necessary.
- 9. Previous Services or Therapy (Including Drug, Dose, Duration, and Reason for Discontinuing Previous Therapy). This section should be completed if the patient has had previous therapy relating to the medical service being requested. All relevant previous services or therapy should be explained. If there is not enough space, attach another sheet to explain other therapies. If additional guiding documentation is necessary to explain the previous therapy or treatment, that should be attached as well. Include any reason for discontinuing the previous services or therapy.

10. The requesting provider must truthfully certify that all information provided as part of the prior authorization request is true and accurate.
