

**DIRECTIONS:** To avoid the potential loss of data, please complete the following steps and submit this form.

**Step 1:** Save this form to your computer

**Step 2:** Complete the form in its entirety using Adobe Acrobat Reader DC

**Step 3:** Save the completed form to your computer

**Step 4:** Please return the signed form and the identified supporting documentation to

[CompletedForms.ProviderNetwork@Evernorth.com](mailto:CompletedForms.ProviderNetwork@Evernorth.com)

If you are interested in adding the following specialties to your profile, please mark the appropriate specialty check box and sign the attestation below.

- Addictionology:** Requires both ASAM Certification and Board Certification in your medical specialty (e.g., Internal Medicine)
- Alcohol/ Substance Abuse - Certified:** Requires Certification and/or Licensure as a substance abuse counselor (e.g., LADC, CAC, CCDC)
- Behavioral Pediatricians:** Requires Board Certification in Developmental Behavioral Pediatrics
- Behavioral Telehealth:** I hereby certify and attest that I meet all state requirements to provide behavioral telehealth services, including any licenses and certifications.
- Buprenorphine:** Separate DEA Number/Waiver
- Eating disorders:** Requires CEDS (Certified Eating Disorder Specialist) certification obtained through the IAEDP (International Association of Eating Disorder Professionals)
- Maternal Mental Health:** Requires two years work experience relevant to the field of perinatal mental health and completion of evidence-based perinatal mental health certificate training
- Medication Management:** DEA Number
- Substance Abuse Expert (SAE):**  
I hereby certify and attest that I have met the Nuclear Regulatory Commission (NRC) requirements (effective March 31, 2010) for providing SAE services. SUBSTANCE ABUSE CERTIFICATION THROUGH YOUR STATE (E.G., CAC, CASAC, LADC) IS NOT SUFFICIENT AND DOES NOT MEET THIS CRITERIA. **These requirements include successfully completing a qualification training course regarding the Nuclear Regulatory Commission's (NRC's) regulations** for drug and alcohol testing and the role of the SAE, as well as continuing education related to the SAE function (every 3 years). **The training and continuing education documents must be attached to the signed attestation form.**
- Substance Abuse Professional (SAP):**  
I hereby certify and attest that I have met the DOT requirements (as required by 49 CFR Part 40) for providing SAP services. SUBSTANCE ABUSE CERTIFICATION THROUGH YOUR STATE (E.G., CAC, CASAC, LADC) IS NOT SUFFICIENT AND DOES NOT MEET THIS CRITERIA. **These requirements include successfully completing a qualification training course regarding the Department of Transportation (DOT) regulations** as they pertain to their drug and alcohol testing policies and the role of the SAP, and satisfactorily completing a post- training examination administered by a nationally recognized provider or training organization. They also include continuing education requirements every 3 years related to your duties as a SAP. **Both training and examination certification documents must be attached to the signed attestation form. Effective January 6, 2020, SAPs must utilize the Commercial Driver's License Drug and Alcohol Clearinghouse as directed by the U.S. Department of Transportation Federal Motor Carrier Safety Administration.**
